

Delivery Instructions:

- Include your full name, student ID, and group ID.
- One submission per group.
- Late delivery policies are elaborated below.
- Submission guidelines are provided below.

Project status update 2. Late delivery is allowed till Feb. 25, 2025 at 11:59 PM for 50% credit.

Your group is required to submit a second progress update on the project work.

- (1) Submit an update that is not less than 0.5, and preferred not to exceed 3 pages in length, in addition to any appendices as needed. It should not be necessary to read the appendices to understand the project status.

The update should include (a) the status of the project work progress compared to the timeline submitted in the first update, and (b) your plan adjustments (if any) and milestones until the final deliverables due date. Submit your assignment through eLearn.

- (2) Visit the TA or instructor's office during office hours or schedule an appointment to discuss the update and resolve any problems.
